Cake
Magnets attract and they have frequently been used in by a songwriter to illustrate something (usually a person or a groove) that is so desirable, it pulls them toward that person or thing. In this instance the metaphor is used to describe Sheeran and his attraction for the girl he met at the bar.

Rock-A-Bye
She tells him, Your life aint gon be nothing like my life. Youre gonna grow and have a good life. Im gonna do what Ive got to do. Stay out there, stay out there So, rockabye baby, rockabye Im gonna rock you Rockabye baby, dont you cry Somebodys got you Rockabye baby, rockabye

It Ends Tonight
When darkness turns to light, It ends tonight It ends tonight. A falling star Least I fall alone. I cant explain what you cant explain. You're finding things that you didnt know I look at you with such disdain The walls start breathing My minds unweaving Maybe its best you leave me alone. A weight is lifted On this evening I give the final blow.

Does anyone think their prices for their concert is too cheap ?
emmmm, yea i definitely think they are cause this band so popular that should have been more expensive.

Goal Statement

This website provides the best solution for listening and downloading music's from your favorite Band Nuclear Popsicle.

We have music's ranging from various genres including Rap, Pop, Hip-hop, country and many more.

Functional Description

This application consists of various functionalities which include:

- Registration.
- Login.
- Recovery of password.
- Discussion Forum.
- Uploading Profile Picture.
- Providing Feedback.
- Downloading of Music.
- Searching of music's.
- Listening to Music Online.
- Online News.

Also, it has a separate panel for admins to:

- Add upcoming Events
- Add newly released Music.
- Add Events (concerts) to the Page.
- Add Latest or Trending News.
- Delete any of the items mentioned above (when? It is outdated)

U.I Description

It is very easy for users to Navigate since all links are less than 3 clicks away.

It’s also very easy to identify which page the user is currently in since what ever page the user is at is highlighted (as shown below)

Conclusion

I don’t mean to imply that the design phase is over but what ever was required in the assignment has been completed.

This website can also serve as a template for many other types of ventures.

Technicalities

Program Language used:

- C#
- Ajax
- JavaScript
- jQuery
- HTML 5.1
- CSS (Bootstrap Framework)
- ASP.NET (Framework)

Database used:

- Microsoft-Access 2016

Bibliography

Bootstrap Framework: http://getbootstrap.com/css/
